

DuBois Area School District

Office of the Superintendent

March 25, 2020

Parents/Guardians of DASD Students that attend Jeff Tech:

The purpose of this letter is to communicate with our families of the DuBois Area School District who have a student attending Jeff Tech. We look forward to working with every DASD family to continue to provide quality education through this time of school closure related to COVID-19. Your son/daughter has the choice of participating in the continuity of education plan through Jeff Tech or returning to the DuBois Area School District and participating in the continuity of education plan for the District. The two options for your son's/daughter's education are outlined below and both options will take place through a virtual online platform.

Jeff Tech is planning to provide Enrichment and Review. "Enrichment and Review, as defined by the PA Department of Education, consists of informal activities to reinforce or extend students' prior learning. No standards and skills are addressed through Enrichment and Review".

The DuBois Area School District is planning to provide Planned Instruction. "Planned Instruction, as defined by the PA Department of Education, is formal teaching and learning similar to that which occurs in a classroom setting. Within this process, teachers use planned courses of instruction of new concepts/skills aligned to grade level standards. Teachers assess the learning of their students and make adjustments to instruction based upon student progress. In order to receive grade and credit, students must attend regularly and complete the course requirement."

Please check the option you prefer below and return this letter to the District Office in the enclosed self-addressed envelope or you may email your preferred option for your son/daughter to Mrs. Jill Yamrick, Administrative Assistant at jjamrick@dasd.k12.pa.us

Student's Name: _____ Grade Level: _____
Student's Name: _____ Grade Level: _____
Parent/Guardian Signature: _____ Phone Number: _____

I prefer for my son/daughter to participate in "Enrichment and Review" through a virtual learning platform as a student of Jeff Tech.

I prefer for my son/daughter to return to the DuBois Area School District to participate in "Planned Instruction" through a virtual learning platform.

The continuity of the education plan for your son/daughter is very important to us. We respectfully request your response by April 1, 2020. By not returning this form, you are communicating that you prefer for your son/daughter to remain as a student of Jeff Tech and to participate in the "Enrichment and Review" option for virtual learning. Please note that either plan is to remain in effect only during the period of school closure due to response to COVID-19.

Sincerely,

Wendy Benton
Superintendent

Brigitte Matson
Assistant Superintendent
